

# **Definitions of Supplementary Terms Used in the Arizona Adult Education Data Collection Application**

## **Job Training Programs**

Adults who are participants in a program designed to provide employment to the participant or to train the participant in employment-related skills such as those sponsored by local Workforce Investment Boards.

## **DES Participant**

An individual who is referred to an Adult Education Program as part of their Individual Service Strategy by the Department of Economic Security

## **Migrant Worker**

An individual who self-reports as a migrant worker and/or a member of a family who has received a Certificate of Eligibility (COE) from the Local Education Agency (LEA)

## **Adult in Remote Area**

An individual in a census designated place of less than 2,500 persons and living more than 50 miles away from nearest incorporated census designated place of more than 2,500 persons

## **Adult in Citizenship Program**

An individual registered in a program designed for students who plan to become citizens of the United States. Instruction focuses on the requirements of the citizenship exam in the areas of U.S. History and Government. Students must be 18 years of age or older.

## **Adult in a Skills Improvement Program**

An individual registered in a program designed for students who may already have their high school diploma or recognized equivalent but who require instruction in one or more subject areas in order to function effectively in society or to obtain or maintain employment.

## **State Goal: Achieved Appropriate Literacy Based Computer Skills**

A student mastered literacy based computer skills consistent with the level expected in the Arizona State Standards.
